

# The Energy Bus for Schools Leadership Tour 2017

**Recommended for Principals, Assistant Principals, Superintendents, and aspiring school leaders**

Come join us for this one-day training where you will experience what the power of positive leadership can do in your school. We will share a proven model packed with principles, ideas, and strategies to improve your school culture, build a positive staff and develop positive student leaders.

As part of this special experience we will share with you a comprehensive approach to:

- **Build a positive school culture.**
- **Develop positive educators who develop positive student leaders.**
- **Empower children at every level, starting in elementary school, to become positive leaders.**

***It's a leadership journey that benefits everyone!***

**Niki Spears**

*Chief Energy Officer/  
Co-Founder of The  
Energy Bus for Schools  
Leadership Journey*

As a former school principal, educator, and change leader, Niki shares her passion and enthusiasm for creating positive school culture based on shared leadership. Niki is leading the charge to develop positive schools and student leaders and is touring around the country sharing how positive leadership can transform classrooms, schools and communities.
