

# The Energy Bus for Schools Leadership Tour 2017-2018

## Recommended for Principals, Assistant Principals, Superintendents, and aspiring school leaders

Join us for this one and a half-day training where you will discover what the power of positive leadership can do in your school. You will learn proven principles, ideas, and strategies to improve your school culture, build a positive staff and develop positive student and teacher leaders.

### As part of this special experience you will:

- Gain insight into your leadership style and the impact it has on creating a positive culture (Hogan® Assessment).
- Engage in exercises that will help you and your team focus on the core areas to build and sustain positive school culture.
- Use our Positive Culture Framework to make important decisions related to improving your school culture.

***It's a leadership journey that benefits everyone!***

### What others are saying:

*You will have the opportunity to gain new ideas and strategies to implement on campus the very next day!*

*This workshop not only provided valuable information but motivated me to shift my mindset and take action! Thank you!*

*I think the most powerful part I remember was allowing the vision and mission to guide your journey rather than people.*

*The energy and delivery is unlike any training you'll ever go to. The practical solutions and strategies make you feel empowered when you leave!*

*The positive energy was wonderful and idea of "loving your passengers" is awesome!*
